Full-stack developer with over a year of experience, specializing in **React** and **Next.js**. With a strong curiosity and passion for learning new technologies, I am always eager to acquire new skills to continuously improve projects and deliver innovative solutions. My ability to learn quickly and adapt to emerging technologies allows me to solve problems more efficiently and produce **higher quality** code. This results in **increased team productivity** and reduced development costs. Committed to delivering high-quality solutions and collaborating in a friendly and dynamic environment.

Experience

2023 – PRESENT

Freelancer

Conducted code reviews, debugging, and performance optimizations to ensure high-quality deliverables.

Projects: Full-Stack E-Commerce Website

Skill: React.js, Next.js, Typescript, MongoDB, Firebase, Stripe, Prisma

- Modern front-end and back-end technologies, ensuring a seamless shopping experience.
- Implemented payment processing, user authentication, and responsive design to enhance user engagement and satisfaction

2022 – 2023

Shahsavand Co. Senior SQL Database Administrator

- **Supported and optimized** databases, applications, and websites for sales and finance, and **facilitated office automation and HR systems** including **user access management**.
- **Provided specialized SQL database support** by identifying and establishing relationships between tables, and **developed complex queries and procedures** to optimize operations and support business processes. This resulted in **50% time savings**.

2016 – 2022

Baspar Payesh Pars.co C# Windows Application Developer

- Designed and implemented software for recording and storing temperature and humidity data.
- Designed and implemented a network-based software dedicated to recording and archiving samples, which **resulted in a 40% increase in efficiency**.

Skills: • **Programming languages and frameworks:** JavaScript, TypeScript, React.js, Next.js, Redux, Node.js, SQL • **Backend & Databases:** MongoDB, SQL, Firebase, Rest API • **Software Architecture & Principles:** SOLID, PWA, • **Frontend Development:** HTML, Tailwind, Bootstrap, CSS

Soft Skills: Analytical skills, Continuous learning, Adaptability Effective communication

Education

2006 - 2009

Associate in Computer Software Engineering

2010 - 2013

Bachelor of Computer Engineering

Language: • **English(B1)** • **Deutsch(B2)**
